

Ohio Civil War 150 Logo Request Form

The 150th anniversary of the American Civil War is upon us. The Civil War sesquicentennial (2011-2015) provides a fresh opportunity for our state to rediscover the many ways in which Ohioans had a deep and lasting impact on the war, how the war transformed Ohio and how our culture is still affected today. The story of the Civil War touches virtually every community in our state.

Many communities and organizations are planning to commemorate this milestone with programs, special events, exhibitions, publications and more. The Ohio Historical Society has made the Ohio Civil War 150 logo available for print and digital use in order to assist the marketing efforts of these local communities and organizations. Please fill out this form to let us know more about your organization's events and how you plan to use the logo. Please submit this form **at least one month** before your event. The Ohio Civil War 150 staff will review the form **within two weeks** and send you a formatted logo.
